

MALTA
INDIVIDUAL INVESTOR PROGRAM

IR International Residency

Malta Individual Investor Program (Malta IIP) is a legal Residency-Citizenship program for Investors in a respected European country

- Visa-free travel to 160 countries, including USA, Canada and Australia
- Right of establishment and work within other 27 European Union countries
- Low income tax, no inheritance, or capital gain tax
- Short processing time and minimal residency requirement before Citizenship
- Dependent family members; adult children and parents, can be included in the application

What are the benefits of a second citizenship?

- Security for you and your family
- Convenience of visa free travel
- International tax planning
- Diversifying, protecting and increasing wealth with international investment and business opportunities
- A new life for you and your family, education and job opportunities for your children

Whatever your reason would be to look for a second citizenship, Malta IIP could meet your expectations

- A credible citizenship in a neutral, stable, English speaking European Union country with a strong legal system
- Visa-free travel to 160 countries, including USA, Canada and Australia
- Right of establishment and work within other 27 European Union countries
- High quality of life in an excellent climate
- Strategic location in the Mediterranean with business opportunities in yachting, sailing and international sea commerce
